LIMERICK

A lady who liked the french horn
Made a fake, small unicorn.
She grabbed a pony,
To be the phony,
Then stuck on a candy corn.

CINQUAIN

Ocean,
You're mystical.
Full of wonder waiting
To be explored, by the unknown
Creature.

CLERIHEW

Kevin Hart
Is an actor by heart.
But you don't see him on a basketball court,
By the fact that he's too short.
