

OLIVIA'S POEMS

Limerick

A lady who loved her cat
Was really really fat
She lived all alone
And wanted to moan
So she sadly sat on a mat.

Clerihew

Donald Trump
Is always in a grump
He spends lots of cash
On taking out all his trash.

Cinquain

Stinky
Animals play
Farmers getting sheep in
The wonderful view of the sun
Lovely.

Haiku

The fresh grass swaying
The call of farm animals
The wonderful farm.
