

MHC Description

Mt Hutt College is a wonderful school. The teachers are friendly and the staff. There are so many opportunities at this school. Every Wednesday in Term 3 there is an opportunity to do snow sports. Or you could play for Mt Hutt College in rugby, netball, soccer and hockey in tournaments and many more sports. There even opportunities in academics.

What you hear at Mt Hutt College. The teacher will be expanding your knowledge and helping you improve to a high standard in your subject. At lunch you will hear the laughter and chatter of students. You will also hear people yelling at you to kick the winning goal or to score the winning try or to hit the winning runs.

What you see at Mt Hutt College. You'll see the beautiful Mt Hutt glistening in the background. You will see students working hard on their exams or on their work. Students playing to their best ability in P.E. You will see people playing exciting games or talking at lunch times.

What you will smell at Mt Hutt College. You will smell the cafe with it's delicious food. Eg: Garlic Breads, Pizzas, Cookies and even G-Forces. You will smell the deodorant of people who work hard and sweated in P.E. Or the perfume of girls.

What you feel at Mt Hutt College. You feel the warmth of the heated classrooms [Sometimes]. The Pats on the back when you score the final shot or kick. You will feel pride when putting on the Mt Hutt College uniform. You will feel good after helping someone with their work, or by making their day.

So what do you think of Mt Hutt College now? Personally I love this school with the mountain and the sporting and academic opportunities. In the summer I think it's the best it nice a warm and sunny. I hope this has helped you ease your way into thinking to going to Mt Hutt College.
